

## HASIL SURVEY KEPUASAN MAHASISWA TERHADAP PELAKSANAAN PERKULIAHAN

DATA DIHIMPUN DARI [siakad.uns.ac.id](http://siakad.uns.ac.id)

Data mentah :

### Kepuasan Mahasiswa terhadap Mata Kuliah Semester Ganjil 2023-2024

| Mata Kuliah                                | Dosen 1 | Dosen 2 | Dosen 3 | Rata-rata |
|--------------------------------------------|---------|---------|---------|-----------|
| Biosistematika                             | 3,51    | 3,805   | 3,805   | 3,706667  |
| Praktikum biosistematika                   | 3,805   | 3,805   |         | 3,805     |
| Bioteknologi                               | 3,75    | 3,695   | 3,755   | 3,733333  |
| Biologi molekuler                          | 3,51    | 3,77    | 3,722   | 3,667333  |
| Biodiversitas                              | 3,725   | 3,647   | 3,805   | 3,725667  |
| Praktikum biodiversitas                    | 3,647   | 3,805   |         | 3,726     |
| Metodologi penelitian dan publikasi ilmiah | 3,75    | 3,63    | 3,5     | 3,626667  |
| Praktikum biologi molekuler                | 3,722   |         |         | 3,722     |
| Biologi reproduksi                         | 3,75    | 3,74    |         | 3,745     |

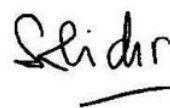

|                           |       |       |      |          |
|---------------------------|-------|-------|------|----------|
| Biokimia bahan alam       | 3,695 | 3,75  |      | 3,7225   |
| Genetika molekuler        | 3,725 | 3,77  |      | 3,7475   |
| Praktikum kultur in vitro | 3,77  | 3,755 |      | 3,7625   |
| Biokontrol                | 3,647 | 3,722 |      | 3,6845   |
| Ekofisiologi              | 3,8   | 3,8   | 3,77 | 3,79     |
| Biologi Industri          | 3,77  | 3,722 | 3,69 | 3,727333 |
| Kultur in vitro           | 3,44  | 3,75  |      | 3,595    |
|                           |       |       |      | 3,717938 |

Rekap data :

| Mata Kuliah                                | Rata-rata |
|--------------------------------------------|-----------|
| Praktikum biosistemika                     | 3,805     |
| Ekofisiologi                               | 3,79      |
| Praktikum kultur in vitro                  | 3,7625    |
| Genetika molekuler                         | 3,7475    |
| Biologi reproduksi                         | 3,745     |
| Bioteknologi                               | 3,733333  |
| Biologi Industri                           | 3,727333  |
| Praktikum biodiversitas                    | 3,726     |
| Biodiversitas                              | 3,725667  |
| Biokimia bahan alam                        | 3,7225    |
| Praktikum biologi molekuler                | 3,722     |
| Biosistemika                               | 3,706667  |
| Biokontrol                                 | 3,6845    |
| Biologi molekuler                          | 3,667333  |
| Metodologi penelitian dan publikasi ilmiah | 3,626667  |
| Kultur in vitro                            | 3,595     |

Surakarta, Agustus 2024

Plt. Kaprodi,

Dr. Solichatun, S.Si.M.Si.
